

Open Source

Principles of Open Source

Florian Weingartshofer

FH Hagenberg

October 23, 2019

1 What is Open Source?

2 Where is it used?

What's Open Source?

Transparency
Collaboration
Release early and often
Meritocracy
Community

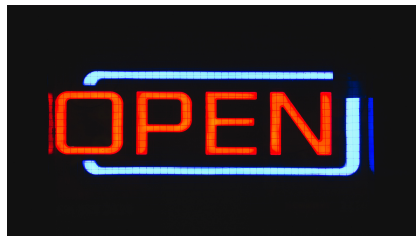

Figure: unsplash.com/@stairhopper

Who is contributing?

- ① Microsoft
- ② Google
- ③ Red Hat
- ④ IBM

Biggest Projects

Linux
Fedora
Android
Java

The Presentation is obviously Open Source at
