

# Open Source

## Principles of Open Source

Florian Weingartshofer

FH Hagenberg

October 23, 2019

1 What is Open Source?

2 Where is it used?

# What's Open Source?

Transparency  
Collaboration  
Release early and often  
Meritocracy  
Community

# Who's Using It?

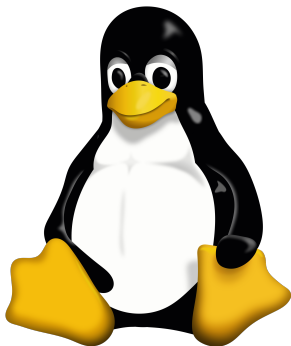

Figure: Tux

## Everybody Is Using OS!

Web-Dev  
Programming Languages  
Protocols

## Many are Contributing!

- 1 Microsoft
- 2 Google
- 3 Red Hat
- 4 IBM

Guarantees Quality  
Fast Prototyping  
Easier to Port  
More Money for Corporate

# Well Known Projects

Linux  
Fedora  
Android  
Java

The Presentation is obviously Open Source at
